LETTER FROM THE NEW HOPE STAFF

Dear Friends,

As we look back on 2025, we are filled with gratitude for the many moments that reminded us why New Hope Center for Grief Support exists. Each day, we have the privilege of walking alongside children, teens, and adults whose lives have been changed by loss. Together, we create spaces where grief can be spoken, memories can be shared, and connection becomes a source of comfort and strength.

This year was made possible by a community that continues to show up with compassion and generosity. Our staff, volunteers, donors, sponsors, grant partners, and community collaborators all played an important role in expanding access to grief support. Because of your support, individuals and families were able to receive services at **no cost**, ensuring that care remained available whenever and wherever it was needed.

Grief can feel isolating, and many people are unsure how to step into conversations about loss. Yet throughout the year, we witnessed countless examples of kindness and courage. Volunteers sat beside grieving children, supporters gave generously of their time and resources, and community members helped create environments where people felt seen, heard, and understood. These moments remind us that healing often begins simply by showing up for one another.

We also want to recognize the children, families, and adults who entrusted us with their stories this year. Choosing to seek support takes tremendous bravery. By participating in groups, camps, workshops, and family programs, you helped create spaces of belonging not only for yourselves, but for others navigating similar experiences. Your willingness to share, listen, and connect strengthens every program we offer.

Together, we continue to carry forward our mission of bringing **hope**, **healing**, and **new beginnings** to those grieving the death of a loved one. Thank you for being part of this work and for helping ensure that no one has to walk through grief alone. Because of you, New Hope remains a place where healing happens every day.

With heartfelt gratitude,
The New Hope Team

NEW HOPE'S STORY

New Hope Center for Grief Support was founded in 2000 by Cathy Clough, a woman who had experienced the pain of grief and the challenge of being a young widow raising three kids. As she healed, she found new beginnings in life by supporting countless others of all ages and losses through their own grief journey. Guided by her Christian faith, she modeled the core values of New Hope. She led with love, acted with courage, and served with humility. Since then, New Hope has served thousands of grieving individuals and families.

MISSION

New Hope Center for Grief Support is a 501c3 charitable organization dedicated to bringing hope, healing, and new beginnings to adults and children grieving the death of a loved one.

VISION

Our vision as a bereavement resource center is to see those who've come through our program create a safe, supportive community for others in grief and help change the way our culture responds to grief and loss.

2025 OVERVIEW

Thanks to the generosity and dedication of our volunteers, grantors, donors, and sponsors, New Hope Center for Grief Support was able to bring hope, healing, and connection to countless individuals navigating the challenges of grief. Your support made it possible for us to expand programs, reach more families, and create safe spaces where stories are shared, understood, and honored. Together, we are helping people find light, resilience, and new beginnings in the midst of loss.

VOLUNTEERS

New Hope could not provide grief support and services without the incredible dedication of our volunteers, who help bring hope, healing, and new beginnings to children, teens, adults, and families navigating the loss of a loved one. From facilitating ongoing, loss-specific support groups to answering phone calls, our more than 489 active volunteers play a vital role in carrying out our mission. Many of these volunteers have experienced personal loss themselves, participated in New Hope's programs, and now honor their loved ones by supporting others on their grief journeys. They have transformed their own pain into purpose, offering compassion and guidance to those who are grieving.

VOLUNTEER

FIRST STEPS

First Steps provides those who have experienced the death of a loved one, a safe place to share their story, understand more about grief, and learn about the grief support programs and resources that New Hope offers. This one-time scheduled meeting provides an opportunity to connect with a peer support facilitator that is similar in age and has experienced a similar type of loss.

FROM GRIEF TO NEW HOPE 8-WEEK WORKSHOP

The "From Grief to New Hope" 8-Week Workshop combines the educational components of a seminar with the safety and support of a peer group. This workshop is available in-person and virtually to adults who are grieving the death of a loved one, regardless of how long it has been since the loss occurred. This grief support workshop is a safe place to express your grief and begin the healing process. Each session includes a speaker presentation for all and a small group discussion time. These small groups are guided by facilitators who have also experienced similar loss and have traveled their own grief journey.

100% of participants felt that this was a safe environment for them to express their thoughts and feelings

FINANCIAL OVERVIEW

New Hope never wants finances to be a barrier for those needing support. Due to the generosity of donors, sponsors, and grantors, the programs & services offered through New Hope is free of charge and welcome to all impacted by the death of a loved one. We are incredibly blessed with generous supporters who believe in hope and healing after loss. We thank our donors, sponsors, and grantors for hearing our call to action, bringing financial blessings, and bestowing them upon New Hope Center for Grief Support throughout 2025. Your gift of hope has helped thousands of individuals and will help change the way our society responds to grief and loss.

Total Revenue

WHERE DO YOUR DOLLARS GO?

$0.82 Programs
$0.09 Fund Development
$0.09 Management & Admin

Programs – Direct support for the people we serve, including program supplies, coordination, evaluation, and activities that help fulfill our mission to bring hope, healing, and new beginnings to grievers.

Fund Development – Ensures our programs remain free of charge and accessible through strategic grant writing, event planning, and sponsorship efforts, helping us sustain and grow the services we offer.

Management & Admin – Keeps the organization running efficiently, including office operations, staff support, technology, and compliance, so we can safely and sustainably deliver services.

LETTER FROM THE BOARD

I cannot believe this is my sixth year being a part of the New Hope family, and my fifth year on the Board of Directors. We have grown and evolved so much during my tenure but have never forgotten our basic roots of serving those who have lost a loved one.

The biggest change in 2025 has been the acquisition of a new conference room down the hall from the Northville administrative offices. The new conference room allows us a larger space for meetings, training sessions, including new "Lunch and Learn" Programs, a space for group events, and two private rooms to hold our First Steps meetings. We have been blessed with a wonderful volunteer team that has orchestrated the office renovations and upgrades, and New Hope Center is now a much more inviting and welcoming place to work or visit. Please stop in and check us out!

Our MOUs with local schools continue to expand, and we bring workshops, ongoing group support programs, and First Steps Advocacy meetings to grieving children during the school day at their respective schools.

Our 2025 Kids Camp was our biggest yet, with 181 children in attendance, and 275 volunteers- and it was hot! We are changing the venue for our 2026 Kids Camp to be Hillside Middle School in Northville, to be able to provide some events in an air-conditioned space, along with the athletic fields to support outdoor activities. We expect our participation to grow to over 200 children this coming year!

Our adult programs continue to evolve and have high participation rates; we have 36 on-going programs, weekly, bi-monthly, or monthly. Our monthly Circles of Hope programs for families who have lost a loved one have had record attendance rates at events during this past year.

None of this is possible without our dedicated staff, grantors, sponsors, donors, volunteers, and board members. Your continued financial support and attendance is the heart and soul of New Hope Center and allows us to continue the mission of bringing hope, healing and new beginnings to anyone who has lost a loved one. I am infinitely grateful for your generosity; thank you so very much!

With deep respect and gratitude,
Donna M. Melonio
