THANK YOU

Thank you to our donors, sponsors and volunteers for helping us to bring the "Finding Your Superpowers" seminar to our families. With your support, we are able to achieve our goal of providing a family-centered approach to grief support by investing in children, supporting parents, and strengthening the family.

This "Finding your Superpowers" seminar was a success because of your involvement. YOU are our SUPERHEROES! Thank you for continuing to support our mission to bring hope, healing, and new beginnings to children and adults that are grieving the death of a loved one.

With sincere gratitude,
The New Hope Team & Board of Directors
